

# JASMYN CHERRY

Allow me to introduce myself. My name is Jasmyn Cherry and I'm a 2016 high school graduate. I've played both softball and volleyball over the past 7 years, but volleyball has won my heart.

I was introduced to volleyball via Airell Courts Club when I was in the 6th grade. Starting with zero ball handling experience I was determined to learn this game. My director/Coach, Terri Thomas, saw something in me that even I or my parents didn't see and that was the ability to be a beast at this game.

She saw so much potential in me that it encouraged me to want to get better. Later on this journey I met Airell who came to be my mentor, best Coach ever and friend. She taught me skill and technique of volleyball so much that it became second nature to me. I knew my hard work and perseverance paid off when others noticed my skill and the ability to put a ball down with so much power. This soon became my brand "A Power Hit". ACCV helped me to get a an athletic scholarship to play volleyball at Jarvis Christian College. I will

be transferring all my techniques and leadership abilities on and off the court at JCC. Airell Courts Club Volleyball showed me that I belong on a Volleyball court and this program has proven to me that my everyday grind and hardwork not only sets a legendary tradition for others coming behind me but will set a life long statue of greatness that I'm destined for. Now allow me to reintroduce myself, my name is Jasmyn Cherry and I'm a proud ACCV player for life.
